

Form: Notification of Petting Zoos, Animal Rides, Animal Exhibits and Open Farms

Organizing an animal exhibit

Submit completed form at least four weeks prior to the event by fax, email, mail or drop off

Consult Huron Perth Public Health at 1-888-221-2133 ext 3670 or inspections@hp-ph.ca

Separate forms are required for each event you attend

Purpose

Interactive animal exhibits are enjoyed by people of all ages and are an excellent way to connect with nature. However, interacting with animals can make people sick if precautions are not taken. To prepare for the event, you are required to:

Inform Huron Perth Public Health of any changes to your original application.

Post HPPH-provided signs at all entrances and exits to and from all animal areas that remind visitors to wash their hands.

1 Have handwashing stations with soap, water and paper towels at all entrances and exits for all animal areas.

Ensure all animals requiring rabies vaccine under *Ontario Regulation 567/90: (O. Reg.) Rabies Immunization* are up to date.

Develop a plan for the prompt removal of manure and soiled bedding to keep the animal enclosures clean. This will help reduce the risk of potential pathogens that could make attendees ill.

For more information about interactive animal exhibits, visit www.hp-ph.ca/pettingzoo
